

# **Canning Volunteer Fire Department**

## **Mission Statement**

It is the mission of the Canning Volunteer Fire Department, to protect life and property in our community from the adverse effects of fire, sudden medical, environmental and other emergencies.

We will strive to reduce the frequency and severity of emergency incidents in our community by providing the most effective, competent and timely response possible, and through continuing community education and fire prevention activities

We will perform these duties with integrity, compassion, respect and without prejudice.
